EDUCATION

UNIVERSITY OF CALIFORNIA, SAN DIEGO | MUSIC DEPARTMENT | 2022.9 – Present

► **Ph.D. Candidate in Computer Music**

- Principal advisors: Tom Erbe, Miller Puckette, Amy Cimini, Alexandro Segade

NORTHWESTERN UNIVERSITY | MCCORMICK SCHOOL OF ENGINEERING | 2019.8 – 2021.6

► **M.S. in Electrical Engineering**

- Principal Advisor: Thrasyvoulos Pappas, Julius Smith (CCRMA, Stanford University), Bryan Pardo
- Thesis topic: *Interpretable Parameters and Interface for Music Timbre Design*

TSINGHUA UNIVERSITY | DEPARTMENT OF AUTOMATION | 2015.8 – 2019.7

► **B.S. in Automation**

TSINGHUA UNIVERSITY | CENTER FOR ARTS EDUCATION | 2017.8 – 2019.7

► **Minor in Music Technology and Engineering**

EXPERIENCE

UC SAN DIEGO | MUSIC DEPARTMENT | 2026

► **Graduate Student Researcher for MacArthur Foundation**

- Endowed Chair: King Britt
- Research Topic: *Labsthetic*, sound design and audio technology with vintage synthesizer and innovative sound design method.

UC BERKELEY | CENTER OF NEW MUSIC AND AUDIO TECHNOLOGY | 2021.8 – 2022.5

► **Visiting Research Scholar**

- Main Collaborator: Carmine Cella
- Research topic: Timbre Considerations in Computer-Assisted Auto-Orchestration

RESIDENCY

ELEKTRONMUSIKSTUDION (EMS), STOCKHOLM, SWEDEN | 2025 – 2026

► **Composer in Residence**

ROCKY MOUNTAIN COLLEGE OF ART + DESIGN, DENVER, COLORADO | 2025

► **Visiting Artist Scholar Designer Residency**

- **these particles we immersed**, multimedia live set with DIY sensor instrument, live electronics, real-time visual processing, and performance with yarn as half of the ãññ duo

ORACLE EGG, LOS ANGELES | 2025

► **Broiler Experimental Performance Series**

- **De-dimension**, participatory experimental live music performance, as half of the ãññ duo

COMMISSION

2026 | **NEKO3, COPENHAGEN, DENMARK**

► **Composition and Live Performance**

2026 | **KANTHY PENG, NEW YORK, USA & BEIJING, CHINA**

► **Film Scoring and Spatial Installation Sound Design**

- **Funeral Road**, two-channel video with surround sound and AI-incorporated sound design

2024 | **DUO LINGUA, BOGOTÁ, COLOMBIA**

► **Composition and Live Performance**

- **me hiciste falta**, for live electronics, two musicians and four ham radios

WORKSHOP/TALK

2026 | **Invited Presenter: ACM SIGGRAPH Digital Arts Committee (DAC)**

- ▶ **SPARKS – A New Assemblage: Rethinking Audiovisual Creativity with Generative AI**
 - Peeling Cycle: Multi-modal Agentic AI and Surrogate Agency in Live Audiovisual Performance

2026 | **Invited Talk: MUS 176 Music Technology Seminar, Music Department, UC San Diego**

- ▶ On Installation Performance

2026 | **Invited Talk: VIS 147 Electronic Technologies for Art, Visual Art Department, UC San Diego**

- ▶ On Performing with DIY Installations and Instruments

2025 | **Workshop: Rocky Mountain College of Art + Design, Denver, Colorado**

- ▶ On sensor-involved multimedia live performance strategy and ecology

2025 | **Workshop: Instituto Universitario Amerike, Mexico City, Mexico**

- ▶ On composition and multimedia installation performance

AWARD/GRANT

2026 | **IDEAS** program grant, Qualcomm Institute, UC San Diego

2026 | **IDEAS** program grant, Qualcomm Institute, UC San Diego

2026 | **UCSD Recording Fund Award**

2025 | **IEEE TCPAMI Artist Award** Winner (CVPR AI Art Category), presented by CVPR

2025 | **ACM x ISEA2025 Speculative Future Contest Winner**, Association for Computing Machinery, Inter-Society for the Electronic Arts, for art/tech/science, Seoul, Korea

2025 | **IDEAS** program grant, Qualcomm Institute, UC San Diego

2025 | **Music Grad Student Travel/Research Grant**, Music Department, UC San Diego

2025 | **Computer Music Area Fund**, Music Department, UC San Diego, for hosting student-organized computer music grad seminar

2024 | **IDEAS** program grant, Qualcomm Institute, UC San Diego

2024 | **Computer Music Area Fund**, Music Department, UC San Diego, for hosting student-organized computer music grad seminar

2023 | **Dean of Arts and Humanities Travel Fund Award**, School of Arts and Humanity, UC San Diego

2023 | **Music Grad Student Travel/Research Grant**, Music Department, UC San Diego

APPEARANCE

Performance

2026 | **Until the Bees return**, Mesh Art Center, (Dis)consent, Brooklyn, USA

2026 | **Peeling Cycle** (Installation Performance version), Qualcomm Institute, IDEAS performance series, San Diego, CA

2026 | **these particles we immersed**, International Computer Music Conference, Ligeti Center, Hamburg, Germany

2026 | **these particles we immersed**, KM28, Berlin, Germany

2026 | **The Department of Species Services**, Gray Area Showcase, San Francisco, CA

2026 | **Peeling Cycle** (Liveset version), Every Woman Biennial, NYC

2026 | **Loom** (Full Installation Performance version), Qualcomm Institute, IDEAS performance series, San Diego, CA

2025 | **碾作土 (Ground into Earth)**, Shanghai Symphony Orchestra, MISA, Fotografiska Shanghai, Shanghai, China

TEACHING EXPERIENCE

UC SAN DIEGO, DEPARTMENT OF MUSIC | 2022 – Present

► Instructor

2026 | **MUS 7 – Music, Media, and Technology: the Audible Interface** (50 enrollment, undergraduate level, **100% positive review**)

► Teaching Assistant

2026 | MUS 020R – Exploring the Musical Mind (50 enrollment, undergraduate level)

2026 | MUS 114 – Music and Ideas Since 1900 (50 enrollment, undergraduate level)

2026 | MUS 13 – Worlds of Music (50 enrollment, undergraduate level)

2025 | MUS 4 – Introduction to Western Music (50 enrollment, undergraduate level)

2025 | MUS 5 – Sound in Time (50 enrollment, undergraduate level)

2025 | MUS 174C – Audio and MIDI Studio Techniques III (30 enrollment, undergraduate level)

2025 | MUS 174B – Audio and MIDI Studio Techniques II (30 enrollment, undergraduate level)

2024 | MUS 174A – Audio and MIDI Studio Techniques I (30 enrollment, undergraduate level)

2024 | MUS 15 – Popular Music (50 enrollment, undergraduate level)

2024 | MUS 7 – Music, Media and Technology (50 enrollment, undergraduate level)

2024 | MUS 17 – Hip-Hop (50 enrollment, undergraduate level)

2023 | MUS 174A – Audio and MIDI Studio Techniques I (30 enrollment, undergraduate level)

2023 | MUS 173 – Electronic Music Production and Composition (50 enrollment, undergraduate level)

2023 | MUS 1C – Fundamentals of Music C (20 enrollment, undergraduate level)

2023 | MUS 9 – Symphony (50 enrollment, undergraduate level)

2023, 2024 | COSMOS Program, Music Technology Cluster (30 enrollment, high school level)

X-INSTITUTE, SHENZHEN, CHINA | 2024

► Instructor

2024 | Principal Advisor, Music Technology Program (15 enrollment, high school level)

ACADEMIC SERVICE

► Review

2026 | NeurIPS Creative AI Track (Paper and Artwork)

2026 | New Interfaces for Musical Expression (Paper and Artwork)

2025 | NeurIPS Creative AI Track (Paper and Artwork)

► Graduate Seminar Organization

2024, 2025 | Founded and organized the Computer Music Area Graduate Seminar, Music Department, UC San Diego

► Studio Maintenance

2023, 2024 | Studio Tech Team, Music Department, UC San Diego
